Dear Mr. Lopez :

Thank you for your June 29 letter requesting interim approval for the Texas Department of Transportation (TxDOT) to implement the option of displaying up to 12 logo panels for any one specific service type by using no more than two specific service signs in accordance with the Federal Highway Administration's (FHWA) interim approval issued on September 21, 2006.

Please be advised that the TxDOT is hereby granted approval in accordance with the conditions for approval and the design and operational requirements provided in the FHWA Interim Approval dated September 21. For recordkeeping purposes, we have numbered and titled this Interim Approval, "IA-9.7—Texas DOT Request to Use 12 Logos for One Specific Service Type." Please refer to this number and title in any future correspondence. If we can be of further assistance or in the event of further questions, you may contact Mrs. Linda Brown of the FHWA MUTCD team at 202-366-2192.

Sincerely yours,

Anthony T. Furst

Subject: Interim Approval to Display more than Six Specific
Service Logo Panels for a Type of Service

Dear Mr. Furst:

The Texas Department of Transportation (TxDOT) respectfully requests interim approval for the option to display, at locations where applicable, more than six logo panels for any specific service type by using no more than two specific service signs. TxDOT agrees to follow the design and operational requirements set forth in the September 21, 2006, Federal Highway Administration memorandum titled "Interim Approval to Display more than Six Specific Service Logo Panels for a Type of Service."

TxDOT also agrees to maintain an inventory of each location and comply with Section F of the Texas Manual on Uniform Traffic Control Devices, page 1A-6.

Thank you for your consideration of this request. If further information is required, please contact Michael Chacon, TxDOT Policy and Standards Engineer, at (512) 416-3120.

Sincerely,

Carlos A. Lopez, P.E., Director
Traffic Operations Division
